Docket No. 98N-1265
Food and Drug Administration 15 P2 03

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: my compounded perscription relieves
my symptoms & makes it possible for me
to live normally throughout the month. And
there is no one else to obtain this compound
from. So with out it you will condemn me
to a emotionial rollercoaster!
